- C**
chart (see also *visuals*), 215-216
 flow chart, 216
 organizational chart, 215
Chicago manual of style (see also *citation styles*), 59
circle graph (see *graph*)
citation styles, 59-76
citing sources, 57-58
clarification, 159
concept paper, 156-162
 parts, 159-161
covert observation (see *observation*)
critical approaches, 139-142
critique, 139, 144-145
- D**
definition, 157
 extended definition, 157-158
 formal definition, 157
 informal definition, 157
descriptive abstract (see *abstract*)
direct quotation, 60, 62, 64,
direct quoting, 106-109
- E**
evaluating sources, 38-42
 accuracy, 39-40
 authority, 38
 currency, 39
 relevance, 38
experiment (see also *research instruments*),
206-20
explication, 158
extended definition (see *definition*)
- F**
feminist criticism (see also *critical approaches*), 141
field report, 232
flow chart (see *chart*)
formal definition (see *definition*)
formalism (see also *critical approaches*), 140
- G**
graph (see also *visuals*), 218-222
 bar graph, 219
 line graph, 220
 circle graph, 221-222

- I**
IEEE manual of style (see also *citation styles*), 59, 62-61, 67-70
informal definition (see *definition*)
interview (see also *research instruments*), 201-202
in-text citation (see also *citing sources*), 57
- K**
KWL method (see also *reading strategies*), 10-11
- L**
laboratory technical report, 232
line graph (see *graph*)
- M**
Marxist criticism (see also *critical approaches*), 142
methodology, 235-236
Modern Language Association manual of style (see also *citation styles*), 59, 63, 71-73
- N**
non-participant observation (see *observation*)
- O**
observation (see also *research instruments*), 204-206
 structured observation, 205
 unstructured observation, 205
 participant observation, 205
 non-participant observation, 205
 covert observation, 205
 overt observation, 205
organizational chart (see *chart*)
overt observation (see *observation*)
- P**
paraphrasing, 106-108
participant observation (see *observation*)
position paper, 186-188
 parts, 186-187
précis, 124-127
- Q**
questionnaire (see also *research instruments*), 202-204
- R**
reaction paper, 139, 143-145
reader response criticism (see also *critical approaches*), 141-142
reading strategies, 6-11
reference citation (see also *citing sources*), 58
research, 232
research instruments, 200-208
research report, 232-237
review, 139, 144-145
- S**
SQ3R method of reading (see also *reading strategies*), 10
structured observation (see *observation*)
summarizing, 88-91, 106-107
summative abstract (see *abstract*)
survey (see also *research instruments*), 200-201
survey report, 232
- T**
table (see also *visuals*), 217-218
thesis statement, 19-21
topic sentence, 21-22
- U**
unstructured observation (see *observation*)
- V**
visuals, 214-222
