GH HOME HACK

HAPPY PLANTS

Houseplants are all the rage in interior design circles (bonus: Some also work as natural air purifiers!), but keeping them dust-free can be a challenge. Try this easy, nontoxic tip from the GH Cleaning Lab: Put a tiny dab of mayo on a dry cloth and gently wipe leaves. Stand back and admire your clean, shiny plant!

TABLE TRICK

Never mistakenly butter your seatmate's dinner roll again: Make an OK sign with both hands — your left hand will make a "b" for "butter" and your right hand a "t" for "table." Eat accordingly!

THAT'S GENIUS

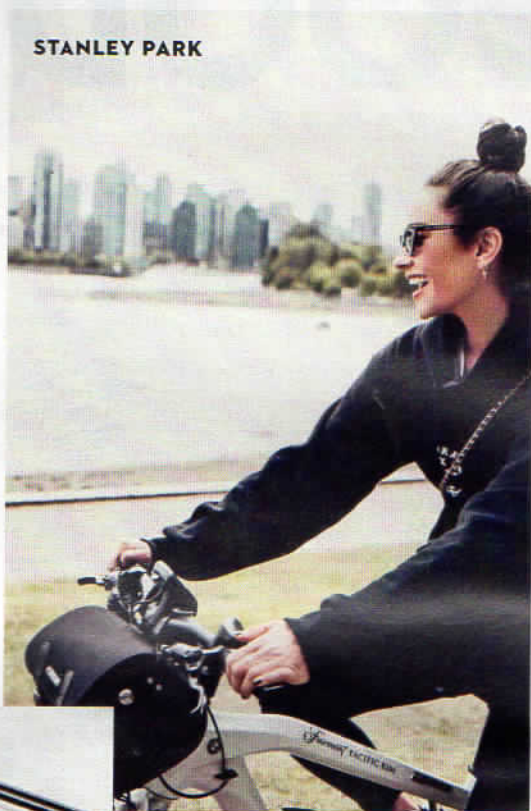

pocket palette

Getting glam on the go just got easier, thanks to the Pocket Palette, a portable single serving of mascara, lip/cheek color and BB cream or foundation that comes in four shades. The clever idea came to Lynda Peralta in 2013 after an early-morning train ride left her putting on makeup from a sandwich bag in an effort to avoid carrying a bulky case. Five years later, following an über-successful Kickstarter campaign, the Pocket Palette was officially born. thepocketpalette.com, \$12 for three and \$35 for 10
