ACKNOWLEDGEMENTS

I would like to thank God, for not giving up on me when I was to give up in this research. I would like to thank my family, classmates, and friends who have taken part in this research and helped me distribute my survey. It was a hard time, but I did it. I would also like to thank my teacher, Ma'am Delgado who have guided me to execute this research. And most importantly, I would like to acknowledge myself for not giving up and finish this research.

This is not only for my grades, but also for my personal well-being and stepping out of my comfort zone. This is way beyond what I expected and I'm very proud I've done it. Without a doubt, it was hard but the fruit of my labor says it will be all worth it.

To God be the Glory!
