Abstract

This descriptive study aimed to determine the common vacant period activities among the 350 College of Business Students of JBLFMU for academic year 2009-2010. This study used a researcher made questionnaire. The statistical tools used were frequency count, percentage and rank. Results of the study showed that the common vacant period activities of the College of Business Students at JBLFMU were: "Eating in the Canteen" (f=170, ranked 1), "Surfing in Internet Center" (f=145, ranked 2), "Computer Gaming in Internet Center" (f=121, ranked 3), "Internet Surfing in Computer Laboratory" (f=107, ranked 4), "Reading/Studying in the Library" (f=91, ranked 5).
